

Not a Christmas Present - But an Every Day Necessity.

Dr. Frank G. Bonnel.

Bonnel's Old Reliable Cough Cure

is used by Physicians to cure a cold, cough, or any irritation of the throat, lungs or bronchial tubes, and, of course, is highly recommended by them.

It is compounded of those good old remedies our mothers and grandmothers always used in treating themselves and administering to us; you know, Blood Root, Wild Cherry, Licorice, Squills, Ipecac, Horehound Senega, etc.

It is the one positive, speedy and absolute cure for Croup, Influenza, Hoarseness, Bronchitis, Asthma, Spitting of Blood, and those affections of the Throat, Bronchial Tubes and Lungs which, if not checked in time, finally lead to consumption.

BONNEL'S OLD RELIABLE COUGH CURE never fails. There are many remedies that aid. **BONNEL'S OLD RELIABLE COUGH CURE CURES**---restores the affected parts to their natural condition---that of **PERFECT HEALTH**.

Even in time of peace Nations keep constantly prepared to protect themselves against the attack of an enemy. You will find it as wise a course to provide yourself and family with a protection against the ills that always attack you and them at this season.

Send to-day for a bottle of **BONNEL'S OLD RELIABLE COUGH CURE**. It will be sent you by mail, postage prepaid upon receipt of the regular price---Order a 50-cent bottle for the family or a 25-cent bottle if just for yourself.
